PALOMAR FORUM BUSINESS PARK

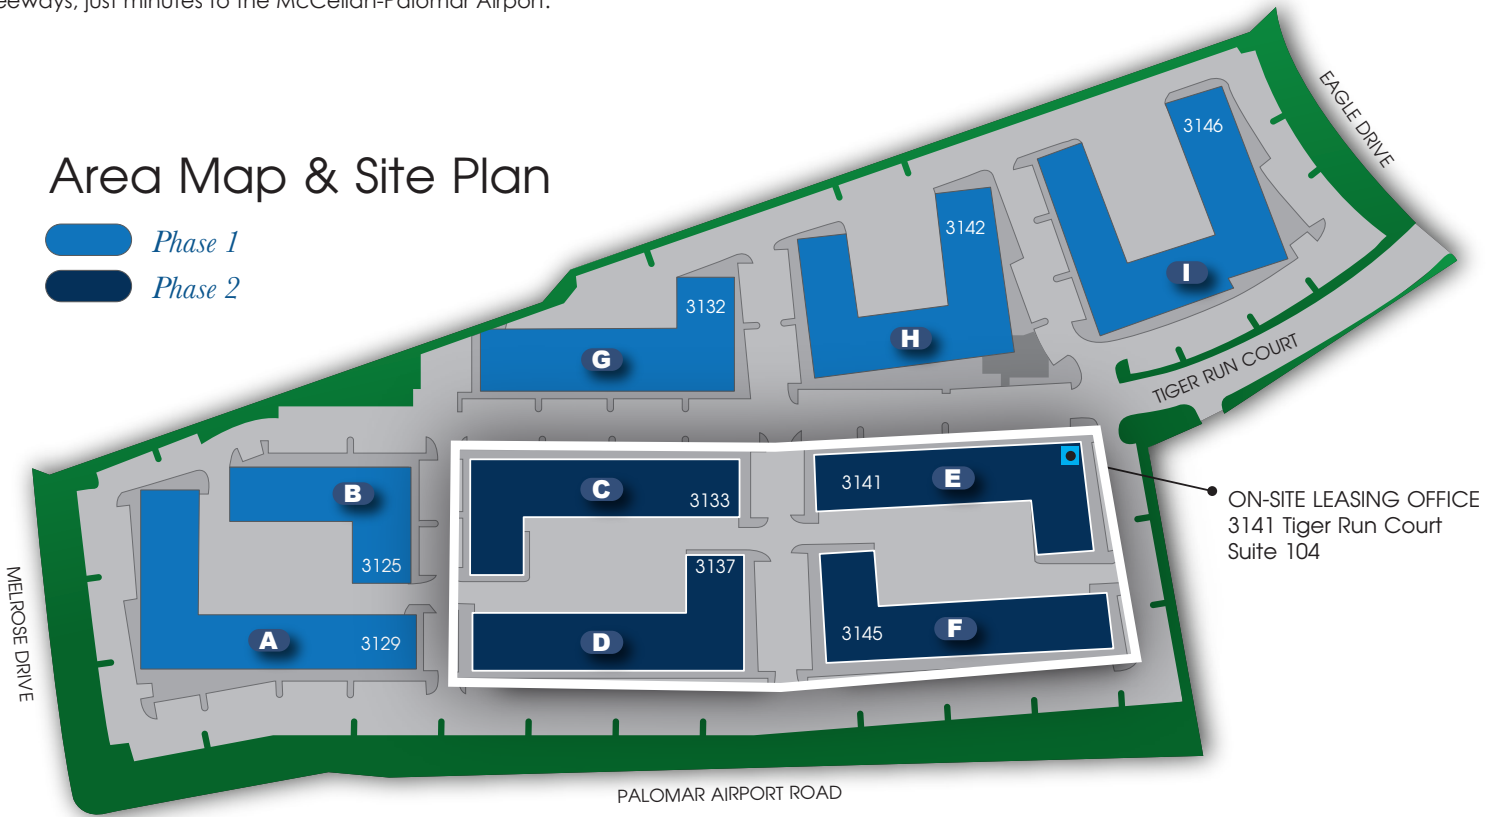

A great place to do business!

Palomar Forum provides over 275,000 SF of professional turn-key Industrial R&D and office suites, designed and operated to accommodate the specialized needs of local and regional offices. Palomar Forum is part of a 50 acre master planned business community, with high visibility along Palomar Airport Road and easy access from both the 5 and 78 freeways, just minutes to the McClellan-Palomar Airport.
